Dear Alumnae:-

It is some time since we sent our last letter describing the activities of the Margaret Eaton School Alumnae. From our many grateful replies to past letters, we feel sure you will welcome our latest news.

Last year our monthly luncheons were held at the Diet Kitchen on the first Tuesday of every month, with an average attendance of twenty-two. This year we expect a larger attendance as every other meeting is to be held at night, at the different homes of the members. At these night meetings we are looking forward to a more social gathering and also intend to help the hospitals by sewing for them. The Annual luncheon was held on the 21st of May, at the Selby Hotel, where we had as our guests the eighteen new graduates. There were sixty-five in all, present -- composed of the new graduates, honorary members, staff and Alumnae. The time passed quickly with the usual toasts, and our good wishes were extended to the new graduates, all of whom, except two, came from out of town.

As usual, at Christmas, we helped two poor families, providing them with an ample dinner, warm clothing and gifts for each member of the family. To this work we voted the sum of \$25.00, which was enlarged by individual gifts.

In October, the Alumnae held a party for the pupils of the School, at Mr. R.Y. Eaton's country home at Clarkson. We felt this was a very good idea as the school and Alumnae got in closer touch with one another.

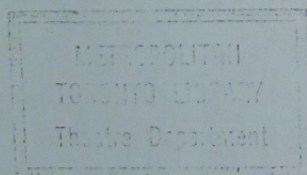

Owing to the Alumnae having pledged themselves to a scholarship of \$150.00 to be given to assist a girl, who shows talent in the school work, we found it necessary to raise money. So, a rummage sale was voted upon as a likely means of doing so. After a good deal of work, the sale was held at St. Bartholomew's Church on Dundas Street, where after one hour's frantic selling, we realized the large sum of \$158.00. So successful did this seem that another rummage sale is in the offing.

We hope that you will be interested in our activities and if you care to contribute to the scholarship fund, it will be more than welcome.

Sincerely yours,

Frances Pearce,

Corresponding Secretary.

Dear Alumna:

This time last year we wrote to tell you that Miss Somers was retiring from the Staff of the School of Physical and Health Education. As a result of your contributions, we were able to present her with a most attractive silver tea set and tray with which she was delighted. Our Alumnae dinner at the Granite Club last May was quite one of the most successful ones we have ever had.

This year, unfortunately, we are to say good-bye to someone whom most of the Alumnae know personally and everyone knows through the "Newsletter". It will be a great blow to many of you to hear that Miss Layton will no longer be behind the desk at 415 Yonge Street waiting, as she has done since 1926, with an open hand to greet any member of the Alumnae who could drop in. Miss Layton is retiring from the University in June. We owe her a great debt of gratitude for all she has done. Each one of you, we know, will want to add your donation so that we may express our appreciation to her in a tangible way, worthy of all her efforts on our behalf. Will you please send your contributions to our new Treasurer:

Mrs. Beatrice (Goad) Brammell,
By April 15th, 1347 Mount Pleasant Road,
if possible. Toronto.

Our Bursary Fund has now reached the grand total of \$420.00. The September Camp at Tanamakoon has been discontinued in favour of a co-educational Camp Course to be held on the Campus at the University of Toronto, May 8th to 13th, 1950. At the last meeting of the Toronto Alumnae group, it was unanimously agreed to provide two Bursaries of \$25.00 each (or three Bursaries of \$15.00 each, whichever proved most suitable) to cover the fee (\$5.00) and living expenses of two or three girls during that period. The recipients, as before, to be selected by the Staff of the School.

We know that you will be interested, as we are, in our Bursary project and we will be reporting to you on further developments from time to time. The purpose of this particular letter, however, is to advise you of Miss Layton's retirement and to give you an opportunity of contributing toward our gift to her. If you live out-of-town and cannot possibly attend our Alumnae dinner in May, perhaps you would like to enclose a short note which we could read aloud to Miss Layton at that time.

We will be looking forward to hearing from you soon.

Dear

Par

On June 6th. 1922 you graduated from M.E.S. ?

How's about a re-union in 1962 ?

It's a long way off ---- but so are some of you.

I wrote to Miss Hamilton first, and she is all for it. She did some research and came up with addresses and married names. But we still have not located everybody.

I enclose this list and ask you to help out if you know of any deletions, additions, or corrections.

In any case let me hear from you ?
My home address is as above and my school address is London Teachers' College, Western Road, London, Ontario.

Yours sincerely,

Dear Twentytwoer --

A year ago I wrote all of you suggesting a '62 re-union. It has been fun hearing from all parts of the world. Marg Barclay was the first to respond and Jane McIlwraith was the most recent.

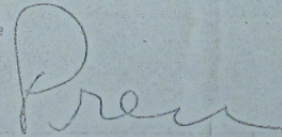

I have not heard from Alice Thompson Keefer, Luke Jacobs, Jean Mallabar, and Dot Prat Lawrence. I did not have an address for Marion Perry nor for Edna Stabler and no amount of enquiring has so far unearthed one. So they have not been contacted.

Bea Brammall and Dot McDougall have suggested that we have the re-union in B.C. !! Dorothy will be east in September 1962 with her husband for a convention. Kitty Hall expects to be in Toronto at Christmas 1961 and a bit of January 1962. All others express a desire to be on hand but could make no promises.

My next suggestion is for the Toronto "gals" to take over and decide where and when the re-union will be. I will willingly continue as secretary and send out the letters or notices. How's about it Toronto ??

Miss Hamilton suggests an Autumn get-together at her place in Toronto.

Sincerely,

Winifred R. Prendergast,

SCHOOL

FLORENCE A. SOMERS
Director

THE MARGARET EATON SCHOOL wishes to announce that on September 1st it will become a part of the University of Toronto.

Students who enter this fall, will take the new three-year course in physical and health education which was inaugurated in the University last year. This course leads to the degree of Bachelor of Physical and Health Education (B.P.H.E.).

Professors and instructors from the University as well as members of the staff of The Margaret Eaton School will be among those under whom the students will study. In addition to the advantages that come with study under men who are outstanding in their particular fields, the students will have the use of the University library and will share the opportunities of university life in general. It is hoped too, that the personal touch of the smaller school, which has been one of the advantages of life at The Margaret Eaton School in the past, will still be felt by the students who come to take the new course. Classes will be held as usual at The Margaret Eaton School on Yonge Street, and at the University. The Residence at 99 St. George Street will be continued this year.

Applications for the course should be sent direct to the Registrar, the University of Toronto. Calendars giving information about the curricu-

lum, residences, and fees may be obtained from the Registrar or from the Secretary of The Margaret Eaton School.

The School expects that the field of physical and health education in private schools and in recreation and community centres will be open to graduates of this course as it was to former graduates of The Margaret Eaton School. To those who take a further year of study at the Ontario College of Education or at similar schools of education in the other provinces, will be open as well, the much wider field of collegiate institutes, high schools and technical schools.

The training in camp activities is to be given in September as usual, this year at Camp Tanamakoon in Algonquin Park. Students will go up on September 1st and will return in time for the University registration. The course will include campcraft, canoeing, short canoeing trips if the weather is suitable, swimming, sailing, archery, tennis, nature and music appreciation; camp education and discussion of counselor problems, and experience in evening recreation. The fee for board and tuition for the three weeks is \$45.00. For further information about the camp course, address the Secretary, The Margaret Eaton School, 415 Yonge Street, Toronto.
